Consent Solicitation Statement

Eagle Super Global Holding B.V.'s direct subsidiaries, Eagle Intermediate Global Holding B.V. (the "Dutch Co-Issuer") and Ruyi US Finance LLC (the "U.S. Co-Issuer" and, together with the Dutch Co-Issuer, the "Issuers"), announced on June 27, 2022, that they are soliciting (the "Solicitation") consents (the "Consents") from holders of their outstanding 7.500% Senior Secured Notes due 2025 (the "Dollar Notes") and 5.375% Senior Secured Notes due 2023 (the "Euro Notes" and together with the Dollar Notes the "Notes") to approve amendments and waivers to the indenture dated as of May 4, 2018 (as amended, restated and supplemented from time to time, the "Indenture"). The Issuers have requested the proposed amendments and proposed waiver so that any latent or future PRC Defaults (defaults attributable to former owners that occurred in China and as further defined in the Consent Solicitation Statement), if any, will no longer exist and/or be permanently waived (the "Proposed Amendments and Waivers"). Each capitalized term that is not defined herein has the meaning assigned to such term in the Consent Solicitation Statement or the Indenture, as applicable.

As of July 14, 2022, Consents had been obtained from the Holders of at least a majority in aggregate principal amount of the Notes. Following receipt of such Consents and the fulfilment of all other conditions in the Consent Solicitation Statement, the Proposed Amendments and Waivers are now operative.

The Solicitation was made solely on the terms and subject to the conditions set forth in the Issuers' consent solicitation statement, dated as of June 27, 2022 (as amended from time to time) (the "Consent Solicitation Statement").

This announcement is for information purposes only and does not constitute an offer to purchase Notes, a solicitation of an offer to sell Notes or a Solicitation of Consents of Holders and shall not be deemed to be an offer to purchase, a solicitation of an offer to sell or a solicitation of consents with respect to any securities of the Issuers or their affiliates.

Forward Looking Statements

This current report includes certain statements that may be considered to be "forward-looking statements" within the meaning of the U.S securities laws and the securities laws of certain other jurisdictions. Such statements are generally not historical in nature, and specifically include statements about the Issuers' plans, strategies, business prospects, changes and trends in its business and the markets in which it operates. These statements are made based upon management's current plans, expectations, assumptions and beliefs concerning future events impacting the Issuers and therefore involve a number of risks, uncertainties and assumptions that could cause actual results to differ materially from those expressed or implied in the forward-looking statements, which speak only as of the date of this current report. Consequently, no forward-looking statement can be guaranteed. The Issuers undertake no obligation to update any forward-looking statements to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of unanticipated events.
