### **Appointment of Certain Officers**

The Shareholders of The LYCRA Company announce the appointment of Craig Rogerson, as Executive Chairman of the Board.

Craig is the former Chairman and CEO of Hexion, a private chemical company that produces thermoset resins and related technologies, and Chemtura, one of the world's leading suppliers of flame retardant and lubricant additives. Currently Craig serves on several other boards as a Non – Executive member.

Craig's years of global executive leadership and his experience managing successful M&A processes of companies going through significant changes and operating with complex capital structures will be very invaluable to us.
